## CAREER OBJECTIVES

---

I am an organized and proactive HSE professional with expertise in safety management, risk assessment, and environmental responsibility. My strong communication skills and collaborative approach enable me to drive positive outcomes in project management, from design to execution. I am seeking a role in a forward-thinking organization where I can apply my skills in Health, Safety, and Environment while growing within a supportive environment. Eager to embrace new challenges, I aim to contribute to the organization's success and advance my career through continuous learning and development.
