WORK EXPERIENCE

QUALITY CONTROL CIVIL INSPECTOR

Shandong Tiejun Electric Power Company Ltd., KSA
Dec 16, 2022 – Jan 10, 2025

Roles & Responsibilities:

- Ensured that approved QA/QC plans, approved method statements and test plans are followed.
- Initiated Work Inspection Requests (WIRs) and Material Inspection Requests (MIRs).
- Ensured that all site items are inspected properly before calling the consultant for inspection.
- Ensured that materials used in construction are of the specified quality and meet requirements.
- Witnessed different quality tests on site.
- Identified and reported any non-conformities, defects, deviations from project specifications, and suggested corrective measures.
- Maintain detailed and accurate records of inspections, tests, and construction activities.
- Participated in meetings, workshops, and site visits to support project coordination.
- Provided training to site personnel on quality control protocols.

QUALITY CONTROL INSPECTOR

Moreno City Developers (Pvt.) Ltd | Islamabad

June 08, 2020 – June 03, 2022

Roles & Responsibilities:

- Conducted regular inspections from land preparation to final building finishing, ensuring compliance with project specifications and quality standards.
- Monitored construction activities, including excavation, foundation laying, structural work, and finishing, to maintain quality consistency.
- Identified defects and deviations, documented non-conformance reports (NCRs), and coordinated corrective actions with contractors.
- Supervised field and laboratory tests for soil compaction, concrete strength, and other quality parameters, maintaining accurate records.
- Collaborated with engineers, site supervisors, and contractors to implement quality improvement measures.
- Ensured high-quality finishing, including plastering, tiling, painting, and MEP (Mechanical, Electrical, and Plumbing) work, before project handover.
- Maintained detailed reports on quality inspections, progress, and corrective actions for management review.

SITE ENGINEER

Zedem International (pvt.) Ltd | Islamabad

Aug 09, 2019 – Feb 12, 2020

Roles & Responsibilities:

- Lead construction teams, including contractors and laborers to ensure efficient project execution.
- Implemented quality control measures to maintain high construction standards and compliance with regulations.
- Managed resources effectively, including materials, equipment, and manpower, to optimize project efficiency.
- Monitored project progress closely, identifying potential delays and implementing corrective measures.
- Prepared and maintained accurate project documentation, including daily reports and progress photographs.
- Coordinated with various stakeholders to ensure smooth project execution and timely issue resolution.
