RESUME PROFILE

A dedicated Architectural Engineer from Al Faisal University, I excel in site management and architectural oversight, showcased at Anabani and Bait Kemda. My IT expertise from Al Faisal University and multiple academic accolades demonstrate a strong blend of technical knowledge and practical problem-solving. Proficient in key engineering software and bilingual in Arabic and English, I am prepared to contribute effectively to diverse engineering teams.

Education

Alfaisal University

Architectural Engineering | GPA: 3.51 / 4.0

2017 - 2022
