Saudi Arabia

## Profile

A recent graduate Electrical Engineer with a very good academic record and a strong background in electrical engineering. Gained useful skills through education and training.

During my college studies, I have made remarkable efforts, specifically in my graduation project which was about designing a Smart Liquid Mixing Apparatus.

Excited to use my knowledge and skills in a workplace that supports my growth and helps me and the company reach our goals.

## Education

### King Khalid University

Abha, Saudi Arabia | 2025 Jan

Bachelor of Science in Electrical Engineering

- Major Coursework: Electrical Circuits, Power System Analysis, Electromechanical Energy Conversion, Power Electronics, Analog and Digital Electronic Circuits.
- Graduation Project: Design of a Smart Liquid Mixing Apparatus.
- Cumulative GPA: 4.22/5.00

## Experience

### Saudi Electricity Company

Abha, Saudi Arabia | 2024 Jun – 2024 Aug

Summer Intern in the Customer Services Department

- Understanding how to manage the distribution.
- Learned the rules and steps for connecting electricity service.
- Monitoring meter installation and inspection procedures.
