MUHAMMAD MUNAWAR KHAN

Summary

TÜV Certified Tower Crane Operator with more than sixteen (16) years of experience in construction field. Proven ability to operate all types of cranes. Easily conforms to new programs and work environments. Ability to plan and organize work and motivate to work efficiently. Works well in pressured/fast paced environments and possesses strong ability for lifting heavy loads. An individual that is self motivated with the ability to work using initiative and with minimal supervision. I am looking for a position in a result oriented organization that seeks and ambitious and utilized toward continued growth and advancement. I am willing to give total support the organization with the experience and capability that I have, in order to achieve organization's goals and create mutual benefits.

Skills

Excellent written and verbal communications skills. Outstanding ability to safely and efficiently operate bulk moving equipment in tight, cramped spaces and in, around and above other workers. Amazing ability to deal with evolving operating conditions with few concrete variables in standardized situations.
