SHAIK AJMAL UZ ZAMA

ELECTRICAL ENGINEER

CAREER OBJECTIVE

My objective is to obtain a challenging and accountable position as a ELECTRICAL ENGINEER working for a performance-driven, progressive, and innovative organization with the opportunity to further develop my technical, organizational, and interpersonal skills and gain diverse experience.

PROJECT SUMMARY

As an experienced Electrical Engineer with extensive experience in both electrical site engineer and electrical design engineer as I worked on Residential & Commercial projects & Villas. I offer a wealth of knowledge and experience.

In addition to being an engineer, I am familiar with rules and regulations related to Electrical projects. Buildings like high rise buildings, residential buildings, and villas can be supervised, operated, designed and maintained.

In addition to the above-mentioned works, I have fair knowledge of Electrical Engineer, which can help in coordination and avoid repetitive work.
