## Objective

Aspiring electrical engineering graduate passionate about applying theoretical knowledge to practical solutions. Eager to embark on a dynamic career journey in electrical engineering, where I can contribute innovative ideas and learn from experienced professionals. Seeking an entry-level position that fosters growth, challenges my abilities, and allows me to make meaningful contributions to projects that positively impact society.

---

## Education

October 2016 – April 2022

Bachelor of Science in Electrical and Electronics Engineering with Honors  
National University-Sudan, Khartoum  
Grade (Good)

---

## Experience

August 2022 - September 2022

- **Sudanese Electricity Distribution Company, Khartoum** Electrical Engineer (Trainee)
    - Gained hands-on experience in the main control center working with the SCADA system.
    - Learned operational procedures for controlling stations and monitoring electrical distribution networks.
    - Transferred to the medium-voltage stations maintenance department, where I acquired knowledge of station types, transformer operations, and fault diagnosis.
    - Participated in maintenance activities, including troubleshooting and resolving issues to ensure uninterrupted power distribution.
- 

December 2022 - February 2023

- **Tajco Electric Group, Khartoum** Electrical Engineer (Trainee)
  - Acquired knowledge about Automatic Transmission Switch Panels (ATS), including their installation, operation, and troubleshooting.
  - Studied common faults affecting ATS systems and learned troubleshooting techniques.
  - Explored the advantages of ATS over Manual Transmission Switch Panels (MTS) in electrical distribution systems.

## **Skills**

- **General Skills**
    - Work under Pressure
    - Fast Learner
    - Communication Skills
    - Team Player
    - Time Management
    - Adaptability
    - Critical Thinking
  - **Technical Skills**
    - Microsoft Office
- 

## **Certifications**

January 2022 – February 2022

Professional Classic Control

---

## **Languages**

- Arabic (Native Speaker)
  - English (Intermediate)
-
