Education

Bachelor of Civil Engineering- 2017

Adhiyamaan College of Engineering — Hosur, Tamil Nadu

Completed Bachelor of Civil Engineering with 7.56 GPA

Higher Secondary School- 2013

Islamiah boy's higher secondary school

Completed higher secondary school with 84.5%

Certifications

- Approved Civil Engineer from Ministry of Urban planning and development (**MMUP,UPDA-Qatar**)
 - Certified Radiation Protection Officer (RPO) by Ministry of Environment and Climate Change (**MOECC**), Qatar
-

Projects Highlights

Medgulf Construction Company Doha, Qatar

2019-Present

- Jaidah Palace Legtaifiya Lagoon, West bay, Qatar

Scope: Early and enabling work & Construction Duration: 2019 to till date

Role: Jr. Civil Engineer

- Aman Hospital, F Ring Rd, Doha, Qatar.

Scope: Building strengthening, Modification & complete fit-out works. Duration: 2019 to 2021

Role: Jr. Civil Engineer

- W Beach Restaurant, Doha, Qatar.

Scope: Conversion of Korean Embassy to Restaurant Duration: On Emergency basis

Role: Jr. Civil Engineer

- New Effluent Water Treatment Plant for NGL at Mesaieed Industrial City.

Scope: Engineering, Procurement, Installation and Commissioning (EPIC)

Role: Jr. Civil Engineer

Ahad Builder Private Limited, Bangalore- India

2018-2019

- Ahad Opus

Scope: Complete RCC structure works from Excavation to 28th storey

Role: Site Civil Engineer

Technical Skills

- Proficient in Microsoft package
- Construction management and supervision
- Cost estimation and budgeting
- Safety and risk assessment
- Team leadership and collaboration
- Knowledge of local, state, and federal regulations
- Strong communication and presentation skills
- Problem-solving and critical thinking abilities
- Adaptability and ability to learn new software and technologies

Passion

Sustainability Engineering

- Interested in eco-friendly and sustainable engineering solutions for better environmental impacts.

Travelling

- Enjoys exploring new places and cultures, which contributes to innovative thinking and broadening perspective.

Photography

- Passionate about capturing diverse landscapes and urban environments through photography, finding beauty in infrastructure.
