- Maintain site records,including daily reports,inspection reports and test results.
- Observing and maintaining quality assurance and control of works.
- Coordinating and giving necessary advise to the site supervisors and foreman.
- Before start of any activity sign work permit or RFI from client engineer.
- Execute project according to approved IFC drawings.

## **SKILLS**

- civil engineering knowledge
- Health and safety
- Maintain work records
- Quality control management
- risk assessment capability
- Auto cad

- Ms office
- Concrete technology mastery
- Site supervision and management
- Quality control assurance

## **LANGUAGES**

- Arabi (Intermediate)
- English
- Urdu
- Sindhi

## **CERTIFICATION AND LISENCES**

- QMS ISO 9001:2015 LEAD AUDITOR (CQI IRQA)
- Saudi Engineering Counsel
- Pakistan Engineering Counsel
- IOSH V.04 HEALTH AND SAFETY MANAGING
- CPD (Online Earning skills for Engineers)
- CPD (Construction safety and challenges)
- CPD (Artificial Intelligence:Implications for technologies and bussines strategy)
- CPD Cellular Networks(2G-5G Technology)
- CPD ( Digital Transformation)

## **PERSONAL INFORMATION**

- Father Name:Mohammed Yousif
- Marital Status: Married
- Nationality: Pakistani
- Passport no:
- Iqama no: 2583775065
- Sec # 1085082
- Pec # CIVIL/4445
