ABOUT ME

With 18 years of extensive Gulf experience—spanning 5 years in Saudi Arabia and 13 years in Qatar—alongside 8 years in Egypt , I have established a proven track record as a Heavy Equipment Workshop Manager, Fleet Maintenance Manager, and PMV Manager. My success is built on maximizing productivity and enhancing equipment reliability by reducing breakdowns and managing costs efficiently. I leverage an accurate maintenance system, provide manpower training, and utilize advanced technology to ensure optimal performance.

EDUCATION

MILITARY TECHNICAL COLLEGE

Cairo , Egypt
1999

● **Bachelor degree Mechanical Engineering (Heavy Equipment)**

. Earned Bachelor's in Mech. Engineering, Heavy Equipment specialization (duration of study 5 years - 10 semesters)
▪ cumulative degree of 84.2%, honored with a GPA of 3.4
▪ Awarded Medal of Honor by the President of Egypt as a Certified Officer Engineer for academic excellence

MILITARY TECHNICAL COLLEGE

Cairo , Egypt
2003

● **Master of Science**

▪ Pre-master course in mechatronics applications (design and control of robotic arm) achieved with a grade of "Very Good."
