PROFILE

Expert health safety and environment officer with eight years of industry experience seeks to join a team of focused, motivated HSE professionals committed to improving operational outcomes and company culture through a strategic application of relevant standards, employee training and education, and infrastructure improvement. By pinpointing risk scenarios inherent in company processes, I have contributed to the safety of employees, third party agents, visitors, and members of the public.

WORK EXPERIENCE

L&T Construction , Neom KSA,

MAY 2024- PRESENT
