

QOSAI AHMED

CIVIL ENGINEER

Riyadh, Saudi Arabia | +966537092570 | Qosaiahmedosman@gmail.com | [Qosai Ahmed](#) | [LinkedIn](#)

Objective

Accomplished Civil Engineer with 2+ years of experience in construction supervision, site management, and technical documentation. Proven expertise in project coordination, quality control, and cost estimation. Skilled in AutoCAD, BIM technology, construction management, and ensuring compliance with safety and regulatory standards. Adept at improving site productivity, resolving structural issues, and delivering projects on time and within budget. Seeking to leverage my skills to contribute to innovative and challenging construction projects.

Experience

Project Engineer | AL- Hamad Trading & Construction Office – Cairo, Egypt Jan 2024 – June 2024

- Conducted technical design and drawing reviews, ensuring compliance with engineering standards and reducing errors by 15%.
- Enhanced site safety by implementing strict safety protocols and performing regular inspections, resulting in a 20% reduction in incidents.
- Coordinated with subcontractors to ensure work met project specifications and deadlines, improving overall project efficiency by 15%.
- Managed on-site resources, including personnel, equipment, and materials, optimizing resource allocation and reducing waste.
- Identified and resolved potential structural issues, ensuring project integrity and minimizing delays.
- Estimated material costs and sourcing requirements, contributing to accurate project budgeting and cost savings.
- Maintained detailed site diaries to track progress, identify bottlenecks, and improve productivity.

Project Engineer | Freelancer – Khartoum, Sudan

Aug 2022 – Apr 2023

- Oversaw quality control and health & safety matters for construction teams, ensuring 100% compliance with regulations.
- Conducted soil and material testing to determine foundation strength and suitability, reducing construction risks.
- Assisted in the bidding process by performing on-site inspections and preparing accurate quantity takeoffs.
- Reviewed calculations and analytical data to ensure the accuracy of technical reports, improving decision-making processes.
- Acted as the primary point of contact for client communication with field personnel, ensuring smooth project execution.
- Adhered to project timelines, achieving 100% on-time delivery for all assigned tasks.

Education

Bachelor of Science in Civil Engineering
Sudan University of Science and Technology

MAR 2023

Major: Civil Engineering | Minor: Highway and Transportation.

Skills & abilities

- **Software:** AutoCAD, Revit, MS Project, Primavera P6, ASD, Navisworks , Cutting Optimization , Power BI.
- **Technical Skills:** Site Inspection, Cost Estimation, Project Management, Construction Management.
- **Soft Skills:** Analytical Problem Solving, Scheduling & Planning, Team Coordination, Presentation Skills, Communication.
