Previous Companies :

- Saudi Emaar for Construction and Development Co. from 2024 – up to now (KSA) .
- Eldeeb for Construction and Building CO. from 2015 – until 2024 (Egypt).
- Shmous International Co. from 2013 – until 2015 (KSA) .
- Bin delamah construction CO .from 2011 – until 2013 (KSA) .
- Eldeeb for Construction and Building CO. from 2010 – until 2011 (Egypt) .

Educational Information :

Collage : Civil Engineering faculty – Zagazig University .

Year of graduation : 2010 – Good grad .

Graduation Project : Construction Project management – Excellent grad .

Skills :

- Have a very Good Knowledge about different electromechanical Systems (Medium and low voltage – air condition – fire alarm – fire fighting – nurse calling – data and cctv) .
- Have Excellent Knowledge about all technical office work (quantity survey – Bill of quantities making – cost estimating – planning ... ect) .
- Microsoft Office Program (word – excel) .
- Autocade 2d .
- Primavera .
- PMP Certified .
- A member In PMI .
- A member in Saudi Council of Engineering .
- English Language very good write and speak .
- Have driver license (Egyptian – Saudi) .
