
AYMAN ZAIDAN

Riyadh, KSA 11564 ♦ +966 55 4021 001 ♦ speed201099@hotmail.com

PROFESSIONAL SUMMARY

Experienced professional with a strong background in cost estimation and control, infrastructure development strategy, and quality assurance compliance. Expertise in pavement engineering, road surface material knowledge, and roadway drainage management. Proven ability to manage geometric design of roads, earthwork calculations, and budget controlling. Recognized for being calm under pressure with excellent problem-solving, communication skills, public speaking, team building, and strategic planning abilities. Committed to ensuring quality assurance in all projects while aiming to contribute to innovative infrastructure solutions.

WORK HISTORY
