## Career Objective

I am a civil engineer seeking a challenging opportunity in a reputable company where I can utilize my skills to manage and control the progress of infrastructure and construction projects. I am dedicated to delivering projects on time, within budget, and to the highest quality standards.

## Education

Bachelor's Degree in Civil Engineering (2021) - Zagazig University

Specialization: Structural Engineering and Construction Management (Credit Hours System)

Graduation Grade: Very Good (CGPA: 3.34 / 4.0) - B+

Graduation Project: Reinforced Concrete Project (Grade: Excellent)

## Experience

Riyadha Road Contracting Co. (Riyadh, Saudi Arabia) | 02/2023 - Present

- Currently serving as Project Manager for Al Khair Masterplan No. 3994.
- Leading the full implementation of infrastructure services including roads, sewage networks, water supply systems, and stormwater drainage.
- Managing project timelines, coordinating with consultants and subcontractors, ensuring compliance with regulatory requirements, and reporting progress to upper management.
- Implementing quality assurance and control processes to deliver the highest standard of work.
- Overseeing safety standards and cost control to ensure project success.

Qased Khair (Ain Sokhna, Egypt) | 07/2022 - 12/2022

- Ain Sokhna Port Development Project: Implementation of the wharf (2m high beams, 40m x 23m x 40cm slabs) and installation of accessories.

EL Soadaa Group (Bashtil, Egypt) | 08/2021 - 02/2022

- Ring Road Project: Executed foundations, columns, frames, and slabs at the bridge construction site.

EL Soadaa Group (Alexandria, Egypt) | 07/2019 - 08/2019

- Site Engineer (Trainee): Participated in the Abu Qir Bridge Project and Privado Madinaty Project.
