

Mohammad Alayan Ahad (SCE®)

www.linkedin.com/in/alayanahad | Tabuk, Saudi Arabia | +966506816291 | alayanahad@gmail.com

CAREER OBJECTIVE

A motivated Civil Engineering graduate with hands-on experience in **site operations**, **cost management**, and basic knowledge of **Primavera P6**. Seeking an entry-level opportunity to contribute to engineering projects while continuing to learn and grow professionally. Open to diverse roles where I can adapt, collaborate with experienced teams, and apply both technical and practical skills to support project success.

EDUCATION

DHA SUFFA UNIVERSITY, KARACHI

BE. Civil Engineering | 2020–2024

Thesis: Sustainable Soil Stabilization Process Using Waste Materials (Grade A)

- Studied eco-friendly soil stabilizers (e.g., fishbones, seashells)
 - Focused on resource optimization and reducing CO₂ emissions
 - Geotechnical testing and environmental performance bench-marking
-

PROFESSIONAL EXPERIENCE

DURRAT AL DOHA TRADING | Tabuk, Saudi Arabia

Site & Procurement Engineer | Dec 2024 – Present

- Contributed to **NEOM Green Hydrogen Project**, coordinating procurement and construction logistics
- **Managed** material sourcing and vendor coordination, **reducing delays and costs**
- Oversaw daily **site operations**, ensured compliance with project specifications
- Supervised **trench and crusher operations** for Geotechnical works
- Facilitated communication between engineers, workers, and suppliers to maintain timeline
- Ensured **HSE compliance**, material quality standards, and report documentation

ENGINEERING SERVICES & ARCHITECTURE CONSULTANTS | Karachi, Pakistan

Site Subordinate Intern | July 2023 – Oct 2023

- Assisted in execution and supervision of **250 - 500 sq. yard residential project**
 - Monitored **concrete pouring, formwork, and finishing** under senior engineers' supervision
 - Ensured quality assurance and checked drawings for structural components
-

ADDITIONAL SKILLS

- **Technical Proficiency:** ARC GIS, ETABS, SketchUp, Revit, AutoCAD, Primavera, SAP Business Network
 - **IT Tools:** MS Office (Word, Excel, MS Project, PowerPoint)
 - **Soft Skills:** Communication, Teamwork, Time Management, Interpersonal Skills, Initiative
-

CERTIFICATIONS

- Registered Engineer – **Saudi Engineering Council** (CIVIL/1119184)
 - Registered Engineer – **Pakistan Engineering Council** (CIVIL/075550)
-
