Summary

Results-driven HSE Officer with 7 years of extensive experience in health, safety, and environmental management across diverse industries. Proven expertise in hazard identification, risk assessment, incident investigation, and implementing effective safety controls to ensure a compliant and accident-free workplace. Skilled in conducting safety audits, inspections, and delivering high-impact training programs to foster a proactive safety culture. Experienced in managing emergency response plans, contractor safety, and permit-to-work systems. Strong communicator with a track record of engaging stakeholders, resolving safety conflicts, and driving continuous improvement in safety performance. Dedicated to enhancing workplace safety and ensuring operational efficiency while prioritizing employee well-being.
