Al-Qatif, Ash Sharqiyah | hassan.rebh001@gmail.com | [+966] 505517549 |

OBJECTIVE

Aspiring civil engineer eager to apply theoretical knowledge in real-world applications. As an avid learner with experience in technical writing and structural design, I am ready to face any challenge to gain hands-on experience. Seeking an entry-level role to ultimately contribute to Saudi Arabia's rising infrastructure projects, leave my mark, and achieve my goals. I'm ready to learn, contribute, and grow as an engineer, continuously improving my skills.

SKILLS

Engineering Insight (Intermediate)

- Structural Fundamentals, Code Compliance (ACI, SBC, ASCE, AISC)—Applied in senior project.
- Research & Information Retrieval Proficiency.

Technical Skills (Intermediate)

- ETABS: Extensively used in senior project to model a mid-rise building.
- Microsoft Office: Used extensively for engineering projects & reports, data analysis, and presentations.

Communication (Proficient)

- Written Communication, Active Listening.

*Ready to adapt to any CSI or BIM software like SAFE, SAP2000, AutoCAD, Autodesk Revit, STAAD.Pro, etc.,

EDUCATION

Prince Mohammad bin Fahd University | *Bachelor of Science in Civil Engineering* | Al-Khobar, Ash Sharqiyah | **2019 – 2024**

- Cumulative **GPA**: 3.93/4.00
- Dean's List (4 semesters, including final year)
- Managed an intensive final-year course load to graduate on time
- Completed a comprehensive senior project, covering all steps of structural design, based on design codes like the SBC 301 CR (ASCE 7-10), and aligned with Saudi's 2030 vision.

EXPERIENCE

Euro Group Engineering Consultancy | *Intern* | Safwa, Ash Sharqiyah | **9/30/2023 – 11/30/2023**

- Committed to an internship in structural engineering, and it was at the Safwa-Ras Tanura offshore bridge.
- Accompanied the site engineer and interacted with the bridge engineer, surveyor, and lab technician.
- Prepared biweekly reports and briefings for the Euro Group company and the university advisor.
- Gained real-world exposure to bridge engineering, site coordination, and structural assessments.

CREDENTIALS

Professional Memberships | Saudi Council of Engineers (SCE) | American Society of Civil Engineers (ASCE)

- SCE Membership ID: 1100298 (*Planning to take the NCEES FE Exam) | ASCE ID: 000012531593

IELTS | Overall Band Score: 7.0 (L-7.5, R-7.5, W-6.5, S-6.5)

- CEFR Level: C1 (Advanced in English).

INTERESTS

Sports

Running, cycling, and climbing enthusiast.

Photography

Actively refining my skills in this casual hobby.

Writing

Passionate about technical documentation and creative writing.

*Miscellaneous Interests: reading, mathematics, philosophy, minimalist filmmaking, and music.
