

# Curriculum vitae

**Muhammad Moazzam**

**QC Inspector (Electrical)**

**Neom Approved**

**[Mail: moazzambhatti94@gmail.com](mailto:moazzambhatti94@gmail.com)**

**Contact No: 0502855073**

**Address: Tabuk, Saudi Arabia**

**Iqama Number: 2578733830 (Transferrable)**

## **EXPERIENCE: -**

Company: **Solid Interiors L.L.C**  
Project: Neom (Sindalah Island)  
Designation: QA/QC Inspector (Electrical)  
Date: June 2024 to Present

## **RESPONSIBILITY: -**

- Ensure that all inspection and test are recorded on the appropriate form/check list, as indicated on the relevant ITP, and all documentation is filled.
- Coordination with clients / third party, in accordance with approved ITP, for agreed witness inspections & tests.
- Ensuring close-out of all snags / punch-points within the time frame agreed with the client.
- Reviewing and performing material receiving inspection as per company and client requirements, applicable standards / specifications etc.
- Maintain the necessary documents for MIR (Material Inspection Request) also named as material receiving inspection.
- Organizing MAT (Material Acceptance Transmittal) before MIR is most important factor for inspection.
- The PQD (Pre-qualification Document) should be approved by higher authority of client company also the material related to work also approved.
- The MS (Material Submittal) maintained and make sure the material arrived by manufacture or supplier same as mentioned in material submittal.
- Make sure the MTC (Material Test Certificate) also relate with each equipment or material respectively.
- The PO (Purchase Order) along with the DN (Delivery Note) also attached with the MIR Documents.
- Maintain QC daily, weekly and monthly inspection and testing reports.
- Verifying that all necessary inspections and tests, as required by the project and statutory regulations, are carried out and appropriate records are updated and maintained.
- Coordinating quality activities with subcontractors and any other individual parties who may be working on the same site.
- Coordination with consultant engineers and sub-contractors for site inspection.
- Ensure the quality of material received as per the standards and specification

**PEC# ELECT/94411**  
**NEBOSH IGC**

## **OBJECTIVE: -**

*Highly motivated, energetic and skilled QC with more than 4 Years of experience seeks dynamic and challenging opportunity within organization that welcome fresh ideas, initiative, resourcefulness, dedication and experience, demanding excellence in consistently meeting business objectives and exceeding project expectations.*

## **EDUCATIONAL QUALIFICATION: -**

*B.Sc. Electrical Engineering  
(The Superior University  
Lahore, Pakistan)  
GPA: 3.0*

Company: AMS GREEN ENERGIES  
Project: (Solar Power Plant, Lahore , Pakistan)  
Designation: Assistant Manager (Solar Systems)  
Date: Nov 2021 to May 2024

**RESPONSIBILITY: -**

- Method Statement should be maintained before any type of work or installation of material on site.
- WIR (Work Inspection Request) should submit before inspection.
- Make sure the comments made by client rectify before proceeding.
- Differentiate the material according to criticality of it whether the material lie in critical materials or non-critical materials.
- Assure that material lie in critical C3 block should have FAT (Factory Acceptance Test) report is attached with WIR.
- Along with the FAT report there should be SAT (Site Acceptance Test) of Material like HV cable, Transformers, Motors, Generators etc.
- Make sure the ITP of related work submitted before 30 days of work starting on site.
- The IFC drawing also attached with the WIR with highlighted area concerned to inspection.
- When receiving the MTC (Material Test Certificate) make sure it is dated not more than one year.
- Verification of implementation of corrective & preventive actions against the nonconformities and reporting results to QA/QC Engineer and line managers, if necessary.
- Verify special processes and the relevant workers' qualifications.
- Witness the tests, controls and inspections carried out.
- Submitting weekly report and requested information / statistics to Department QC Supervisor.
- Liaison with QAQC Supervisor/ QAQC Manager for all aspects of quality
- Supervise and approve commissioning plans in accordance with project guidelines.
- Review designs and supervise on-site commissioning activities.
- Prepare and maintain commissioning records of site observations, testing processes and checklists.
- Monitor installation, submittal and usage of engineering tools adhering to project and commissioning guideline.

Company: **HNL Telecommunication**  
Project: Residential Tower (Bahria Town, Pakistan)  
Designation: QC Inspector (Electrical)  
Date: DEC 2020 to NOV 2021.

**RESPONSIBILITY: -**

- Ensure the Subcontractors Personnel complied with the Project Quality Program.
- Supervise the effective implementation of all test and inspection schedules and ensure adherence to all procedures and coordinate with various teams to perform quality audits on processes.
- Assist with employees to ensure knowledge of all quality standards and ensure compliance to all quality manual and procedures and collaborate with contractors and suppliers to maintain the quality of all systems.
- Lead with effective supervision an experienced design team toward greater creativity.
- Performing assigned in-process and final products inspection and tests.
- Monitoring all installation and inspection of instrumentation work with respective of Quality ITPs and Checklist.
- Checks power transformers, switchboard, accumulator battery, sockets outlet, lighting system.
- Performs visual inspections, dimensional test, checks rating and material for connection.
- Performs tests of continuity, insulation resistance.
- Evaluate the FAT (Factory Acceptance Test)/ Acceptance criteria.
- Preparing inspection & test reports of completed inspections & tests.
- Ensuring all equipment's, tools and materials meet with the project quality requirements and that personnel have been adequately trained to use them safely.
- Identification of non-calibrated equipment's and informing Subcontractor QC for expediting arrangements with Calibration agencies for timely calibration of the equipment's.
- Coordinating with site Engineers and Supervisors.
- Implementation of Project Quality Plan & Procedure for the inspection and testing of communication installation activities.
- Issue the relevant documentation, check procedures and equipment to be used in tests, controls and inspections, manage documents certifying tests, controls and inspections.
- Review quality records summaries and their traceability by system, part or area of plant as required for documentation to be handed over to client.
- Maintains a record of the job specification and/or acceptance criteria of the items

**SKILLS: -**

- Communication:** Ability to communicate effectively with team members and superiors for achieving desired results.
- Innovative:** Strong zeal of learning and devising new methods and skills.
- Leadership Quality:** Gifted with a quite Good Leadership quality.
- Problem Solving:** Excellent problem-solving and analytical skills
- Organizational Skills:** Planning, critical thinking, attention to detail and conflict management.
- Strong Work Ethic:** Good work ethic ensures complete tasks and work management effectively,

**CERTIFICATIONS: -**

- Certificate of Instrument & PLC Training
- NEBOSH IGC

Energies (Pvt.) Ltd.**  
GREEN PAKISTAN

Ref: AMS-EMP-125-24K

Date: 9th May, 2024

## TO WHOM IT MAY CONCERN

This certificate is to confirm that Mr. Muhammad Moazzam S/O Muhammad Maqbool Ahmad having CNIC # 33202-9015852-1 resident of Jhang. He served AMS Green Energies Pvt Ltd in the capacity of Assistant Manager (Solar Systems) from 15th November, 2021 to 09th May, 2024.

During his tenure with the firm, we found him as honest, intelligent and efficient. His continuous attendance and performance in the mines are praise worthy. His character and conduct are quite satisfactory. We found him an asset for growth & business expansion.

His attitude & professionalism is exemplary and we wish him the very best for future endeavors.

Regards

Manager Operations  
Muhammad Waqas Ali  
AMS Green Energies Pvt Ltd

To Whom It May Concern

This is to inform whosoever it may concern and certify that **Mr. Muhammad Moazzam** holding **CNIC #: 33202-9015852-1** was working as a full- time employee with HNL. (Pvt) Limited on given designations and time period as per the personnel file and company's employment record.

**QC Inspector (Electrical)**

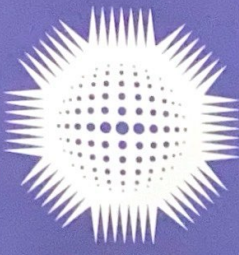

05-DEC-2020 to 10-NOV-2021

Overall, **Mr. Muhammad Moazzam** performed his duties and responsibilities cheerfully with attention to detail at all times. With his enthusiasm to work, learn and progress, I am certain that he would make a great employee to any enterprise. On behalf of the company, I take this opportunity to wish him all the very best in his future career endeavors.

This letter is issued on request of employee.

Warm Regards,

  
FOR AND ON BEHALF OF **HITECH NETWORK'S (PVT) LTD**
