ABOUT MYSELF

Results-oriented Civil Engineer with over 4 years of hands-on experience in infrastructure development, site inspection, quality control and construction management. Proven expertise in resource planning, quality control, and project scheduling using Primavera P6. Strong command of site operations, technical drawing interpretation, and cross-functional team collaboration. Committed to delivering sustainable, high-quality construction aligned with client expectations — ready to contribute to the innovative and diversified projects at Shihb Al Jazira Contracting Company (SAJCO).
