---

Project Manager | Security, Rehabilitation & Recreational Facilities | UNCAF, Sana'a, Yemen (IOM, UNDP, UNOPS, OCHA, WFP)

Description:

"Managed a multifaceted project portfolio at UNCAF in Sana'a, Yemen, serving IOM, UNDP, UNOPS, and WFP, encompassing security enhancements, residential rehabilitation, and recreational facility development. This role demanded exceptional project management skills in a challenging environment:

IOM Residency Villa Security Enhancement: Implemented comprehensive security upgrades, including anti-blast doors/windows, reinforced perimeter defenses, access control, and surveillance systems, significantly enhancing personnel safety.

UNDP UNCAF Villa Rehabilitation: Directed full rehabilitation of the UNDP villa, ensuring UN standards and improved living conditions.

UNCAF Bathroom Construction: Led construction of modern bathrooms in UNCAF apartments, serving UNOPS, WFP, UNDP, and IOM, improving living standards.

UNCAF Basketball & Volleyball Court Implementation: Managed successful construction and installation of recreational courts, enhancing UNCAF personnel well-being.

Project Management Oversight: Managed all project lifecycle aspects, including design, procurement, budget, scheduling, and stakeholder communication, ensuring timely, on-budget delivery.

Quality & Safety Assurance: Ensured strict adherence to UN safety/quality standards across all projects, navigating complex logistical/security challenges.

This experience demonstrates my ability to manage diverse projects concurrently, from critical security infrastructure to recreational facilities, consistently meeting UN standards in a demanding setting."
