PROFILE

I am a skilled and experienced quantity surveying professional with over 6 years of experience in pre- and post-contract work in the contracting sector and consultant firms on various projects such as Civil, MEP, Landscape, and Infrastructure in Qatar and Sri Lanka. I have adequate familiarity with FIDIC, POMI, SBD, CESMM, SMM, NRM2, and SLS 573. I am seeking to work in a challenging environment where I can utilize and enhance my skills and abilities to succeed in the construction sector. My goal is to achieve self-development and career advancement in this field while productively utilizing my capabilities for my employer.
