

CURRICULUM VITAE

ZEYAD NAJEEB

Civil Engineer | PMP Certified

Mobile: +966 536 186 189 | **Email:** zeyadnajeeb@gmail.com

Nationality: Jordanian | **LinkedIn:** zeyadnajeeb

SUMMARY

Detail-oriented and PMP-certified Civil Engineer with 3 years of hands-on experience in construction materials testing, quality control, site supervision, and project coordination. Proven ability to lead cross-functional teams, streamline testing and inspection processes, and ensure strict adherence to safety, quality, and regulatory standards. Adept at delivering sustainable, cost-effective engineering solutions and driving project success across large-scale infrastructure and construction projects.

EDUCATIONAL QUALIFICATION

- MSc. in Civil Engineering

Cyprus International University, North Cyprus | 2020 – 2022

- BSc. in Civil Engineering

Cyprus International University, North Cyprus | 2015 – 2020

PROFESSIONAL EXPERIENCE

- **Civil Engineer**

Arab Company for Laboratory and Soil (ACES), Saudi Arabia

October 2022 – Present

Projects:

- *Neom Spine Infrastructure – Running Tunnels Mountain Section West (Lots 2 & 3)*
- *Vault-Time Travel Tunnel – Mirage Depot*

Key Responsibilities:

- Supervised field and lab testing of construction materials; ensured adherence to relevant standards.

- Directed material testing technicians; provided quality oversight and corrective action planning.
- Prepared technical reports and communicated results with clients, contractors, and stakeholders.
- Managed client relations, including responding to inquiries and coordinating testing schedules.
- Generated bids and proposals for material testing and inspection services.
- Monitored lab safety compliance and promoted safe working practices.
- Conducted research on advanced materials and supported continuous improvement initiatives.

CERTIFICATION & MEMBERSHIPS

- Project Management Professional (PMP®) – PMI | Member No. 10335108
- ISO 9001:2015 – Awareness Certification
- Saudi Council of Engineers (SCE) – Membership Id. 1133692
- Jordan Engineers Association (JEA) – Reg. No. 1/55967

LANGUAGES

- Arabic: Native
- English: Professional Proficiency

TECHNICAL SKILLS

- Software: AutoCAD, Revit, Microsoft Office
- Interpersonal Skills: Project Management, Leadership, Team Coordination, Multitasking, Communication, Facilitation
