## OBJECTIVE

I am seeking an opportunity that allows me to develop my professional and personal skills in a motivating and supportive work environment. My goal is to contribute effectively to the company's objectives by bringing my best expertise and knowledge. I also aspire to grow with the company, enhance my skills through continuous learning, and face new challenges, thereby contributing to mutual success and professional excellence.

## EDUCATION

Bachelor of Civil Engineering, 2024

Tabuk University - Saudi Arabia

## EXPERIENCE

### Civil Engineer - Al Fahd Company, Oxagon, NEOM (October 2024 - Present)

- Supervising infrastructure projects ensuring adherence to safety and quality standards.
- Coordinating with engineers, contractors, and stakeholders to optimize project execution.
- Conducting safety inspections and implementing risk mitigation strategies.
- Ensuring compliance with NEOM's high-quality standards and strict safety regulations.
- Calculating concrete quantities for structural works and ensuring precise execution.
- Implementing NEOM's environmental and sustainability guidelines in all project phases.

### Intern - Dept. of Education, Tabuk (8 weeks)

- Assisted in infrastructure assessments for educational institutions.
- Supported project evaluations and maintenance planning.
- Participated in building safety and compliance audits.

## **CERTIFICATIONS & NEOM APPROVAL**

- NEBOSH Occupational Safety and Health
