Riyadh, Saudi Arabia

## SKILLS

- Civil engineering knowledge
- Proficient in Excel
- Proficient in Microsoft Office
- Proficient in Civil 3D
- Proficient in AutoCAD
- Site inspections knowledge
- Skilled in performing tasks in the office
- Technical drawing comprehension
- Mathematical proficiency
- Team Leadership
- Team Player

## PERSONAL DETAILS

**Date of Birth:** 1995-03-24

**Nationality:** Filipino

**Marital Status:** Single

## LANGUAGES

English

Intermediate

## PROFESSIONAL SUMMARY

Licensed Civil Engineer with extensive experience in project cost management, quantity surveying, and technical documentation. Demonstrated success in budget forecasting, subcontractor invoice preparation, and detailed project reporting. Proficient in a wide range of engineering software including AutoCAD, Civil 3D, and Microsoft Office Suite. Strong capability in interpreting technical drawings, performing site inspections, and collaborating with multidisciplinary teams to ensure project alignment with design standards and deadlines.

Driven by a passion for continuous improvement, I aspire to contribute meaningfully to both organizational and societal advancement. I aim to integrate technical excellence with innovative problem solving to support project success and career growth.

## WORK HISTORY

### Technical Office Engineer- Quantity Surveyor

Yuksel Insaat Saudia, Riyadh, Saudi Arabia
