Professional Summary

Civil Engineer with extensive experience in overseeing the execution of building projects, finishing works, and road construction. Highly skilled in site supervision, quality control, and inspections, ensuring all work aligns with technical specifications, engineering standards, and construction safety regulations. Adept at coordinating teams and managing projects to ensure timely delivery and adherence to high-quality standards. Certified in OSHA health and safety, which strengthens my ability to implement strict safety protocols and maintain a safe and productive work environment.

PROFESSIONAL EXPERIENCE

Education Bachelor's degree in Civil Engineering, Faculty of civil engineering, El Gazeera institute,
May 2022 Grade: Good
Graduation project: Strength & Properties of Materials

Soft skills:

- Leadership.
- Fast Learner.
- Marketing skills.
- Presentation skills.
- Communication.
- Time Management.
- Multitasking.
- Negotiation skills.
- Drafting.
- Strong problem-solving

Key skills:

AutoCAD: Excellent.
Microsoft Office (Outlook, Excel, PowerPoint... etc.): Excellent.

Certifications/Training Occupation safety and health course "OSHA".

Languages Arabic: Native. English: Very good.
