Fahad-Al-Ayyash

Saudi Arabia

SUMMARY

I am a motivated Civil Engineering graduate with expertise in safety management, construction supervision, and environmental sustainability. My training at SEVEN Entertainment Project equipped me with practical skills in project planning and material quality assurance. I bring strong teamwork, communication, and problem-solving abilities to deliver efficient and sustainable engineering solutions.

EXPERIENCE

Public Investment Fund (PIF) | Saudi Arabia

Summer Training Program, SEVEN Entertainment Project | August 2024 – October 2024.

- Supported the implementation of safety protocols and conducted risk assessments.
- Monitored material quality to ensure compliance with project standards.
- Assisted in supervising construction tasks and observed project workflows.
- Gained knowledge of environmental management and sustainability practices.
- Used project planning software to improve on-site scheduling and operations.

EDUCATION

King Khalid University | Saudi Arabia

Bachelor's Degree in Civil Engineering | January 2025.

- Built a strong foundation in structural analysis, geotechnics, and fluid mechanics.
- Applied engineering knowledge to solve real-world problems and complete design projects.
- Acquired practical experience in construction methods and project management.
- Gained insight into safety protocols, sustainability, and quality control in engineering.
- Developed teamwork and communication skills in diverse professional settings.

OTHER

● Projects:

- Graduation Project: An Investigation of Parameters Influence on Design of Flexible Pavement using AASHTO Method for KSA Environmental Conditions | King Khalid University | January 2025.

● Hard Skills:

- Safety Management.
- Emergency Planning.
- Construction Supervision.
- Environmental Management.
- Sustainability Practices.
- Site Management.
- Construction Project Scheduling.
- Pavement Design (AASHTO Standards).
- Microsoft Office Skills.

● Soft Skills:

- Communication Skills.
- Creative Problem-Solving.
- Adaptability and Flexibility.
- Teamwork.
- Creativity and Innovation.
- Time Management.
- Attention to Detail.
- Critical Thinking.

● Languages: Arabic, English.
