

Mohammed Atif Ali

Qc/Qc Engineer/ Inspector |CQI IRCA Certified | Transferable Iqama | Immediate Joining

With over **3+ years of experience** as a **QA/QC Engineer**, I possess a deep expertise in **civil engineering, quality control, and project coordination** across large-scale, high-stakes construction projects. Skilled in **safety regulations, structural integrity monitoring**, and ensuring flawless execution, I consistently deliver projects on time, within budget, and to the highest standards. Driven by a passion for **excellence**, I aim to apply my **proven leadership** and **problem-solving abilities** to elevate project outcomes, optimize quality assurance processes, and exceed organizational expectations.

SKILLS

Design & Planning Tools:

AutoCAD 2D & 3D, MS Project

Office & Productivity Software:

MS Excel, MS Word, MS PowerPoint

Business & Analytical Tools:

Advanced Accounting, Business Statistics

IT & Communication Skills:

Internet & Emailing Concepts, Excellent Typing Skills

WORK EXPERIENCE

● QA/QC Engineer- (15 months)

Lampros Consultants

11/2023 - 03/2025

Project: Industrial & Commercial Buildings, Reservoir Constructions || **Scope of Work:** Construction of **substations** and **control buildings**, including the development of **asphalt roads, cable trenches, manholes, hand holes, duct banks, pipe trenches, pipe rock, and pipe sleeper foundations**.

Achievements/Tasks

- **Managing** construction of **industrial** and **commercial buildings, substations, control buildings**, and utility infrastructure, ensuring **project execution** aligns with **specifications, quality standards, and timeline** through March 2025.
- **Inspecting** earthworks, **concrete works**, and road construction, ensuring full **compliance** with **design, safety regulations, and quality standards** for successful project delivery.
- **Verifying** calibration certificates, **test procedures**, and **quality assurance documentation**, ensuring **accuracy** and **compliance** with **testing standards** and supporting **audits** for **QA/QC** integrity.
- **Coordinating** with **contractors, consultants**, and site engineers to ensure **timely resolution** of issues, **alignment** with **design specifications**, and **completion** within **budget** and **schedule** constraints.
- **Monitoring** construction progress on **reservoir** and **infrastructure** projects, ensuring **quality delivery, timely completion, and budget adherence**, while meeting **safety** and **regulatory** benchmarks.

● QA/QC Engineer

Lampros Consultants

10/2021 - 10/2023

Project: B+G+5+Roof Building Construction

Achievements/Tasks

- **Led** B+G+5+Roof Building construction, ensuring **compliance** with **ISO 9001:2015** standards, focusing on **high-quality civil works** and **strict adherence** to **structural, safety, and quality control** requirements.
- **Conducted comprehensive inspections** for **earthworks, concrete works, and road construction layers**, ensuring full **compliance** with project **specifications, site procedures, and safety standards** for successful construction progress.
- **Supervised** concrete pouring operations, ensuring accurate **placement, compaction, and curing** methods to maintain **structural integrity** and **durability** in line with **approved methods** and **project specifications**.
- **Ensured precise implementation** of **asphalt roads, duct banks, pipe trenches, and manholes**, verifying all activities followed **approved designs** and **technical specifications** to maintain the project's quality standards.
- **Coordinated** with **contractors, consultants, and site engineers** to resolve issues promptly, ensuring **timely execution** of tasks while maintaining strict **compliance** with **quality, safety, and environmental regulations**.

SKILLS

Quality Control

Project Coordination

Civil Work Standards Interpretation

Safety Compliance

ISO 9001:2015 Compliance

Technical Documentation

Concrete & Earthwork Inspection

Structural Monitoring

Scheduling & Planning

Site Supervision & Monitoring

Calibration & Equipment Verification

EDUCATION

● **B.Tech in Civil Engineering**
Jawaharlal Nehru Technological University (JNTU)
2017 - 2021 *Aggregate: 6.41 CGPA*

Intermediate (12th Grade)
Gokul Junior College
2014 - 2017 *Aggregate: 60%*

● **High School (SSC)**
John Miltons High School
2014 *Aggregate: 6.7 CGPA*

CERTIFICATES

CQI-IRCA Certified Lead Auditor
ISO 9001:2015 & ISO 19011:2018 (Intertek) | UDN :586432

Certified Civil QA/QC Engineer
IMECH Institute, India (ISO 9001) | Certified No: 20223131

Certified Six Sigma
