HSE Manager

☎ +966594119830, ✉ Rashidnazir124@gmail.com, 📍 Address: Red Sea Amaala Al Wajh Tabuk Province Saudi Arabia

Profile Summary

Dynamic and results-driven HSE Manager with over 15 years of distinguished experience leading comprehensive safety programs across diverse EPC civil engineering, infrastructure, and construction projects. Renowned for delivering measurable reductions in workplace incidents and cultivating safety-first cultures on high-profile projects of magnitude up to \$ 500 million for globally recognized industry leaders, including Saudi Aramco, SABIC, Sadara, and Red Sea Amaala Project.

Proven expertise in formulating and executing robust HSE policies, performing in-depth risk assessments, and deploying targeted control measures to mitigate hazards effectively. Adept at leveraging data-driven insights through KPIs to monitor safety performance, identify trends, and implement continuous improvement strategies, ensuring unwavering regulatory compliance.

Accomplished in managing Accident investigations, emergency preparedness initiatives, and leading cross-functional teams in challenging environments. Holding multiple membership of top safety institutions including MIIRSM, Grad IOSH, IASP and approvals from organizations like Saudi Aramco, SABIC, Sadara, Sipchem, Tasnee, Red Sea Global etc. I bring technical proficiency and leadership to create safer work environments. Passionate about driving operational excellence and safeguarding employee well-being, seeking a leadership role to spearhead innovative HSE solutions and uphold the highest safety standards in complex construction and industrial settings.
