- Entrepreneurship and Innovation course in CEO ENTREPRENEURS INSTITUTE

Professional & Management Development Training CO in DUBAI.

- Master in business administration (MBA) certified from IPAC college in France.

Experiences

Faculty Projects:

- 3rd year Project: reverse engineering (Lawn mower Machine)
- Graduation Project : (Supply Chain Management Model)

Summer Training:

- Al-Amria Petroleum Refining Company, Merghem, Alexandria; August 2010.
- Abu Qir Fertilizers Company, Al-tabia, Alexandria; August 2008.
- Faculty workshops: (Turning , Milling , ARC Welding , Metal Casting , Forging , Wood Working , Sheet Metal Working And Computer skills); summer 2007.

Work experience:

- Calibration and Qualification engineer in **PHRCO pharmaceuticals GROUP**– 1 Year - EGYPT
- Production engineer at **ABCO group** for plastics and chemicals industries- 1 Year -Egypt .
- Technical office engineer in **WATANIA for firefighting** - 2 years in Egypt .
- Part time (AutoCAD design and workshop drawing for firefighting, fire alarm, plumbing networks)- 5 years - Egypt & KSA .
- Project manager in **ASAS** for firefighting and fire alarm systems for 3 Years in -KSA.
- C.E.O in **ELSUFYANI GROUP for safety** - 4 years (till now) – KSA .

Skills

CAD/CAM software:

- AutoCAD
- Solid works
- Catia

Hydraulic Skills: Perfect in hydraulic circuits and components

Programming software: C++ language.

Computer Skills:

- MS PROJECT.
- Microsoft Office.
- Microsoft windows operating system versions.
- Maintenance of computer hardware and software.
- Internet user.

Languages

- Arabic: Mother Tongue.
- English: Excellent (Reading, Writing and Speaking).
