

# Ahmed Mohamed Ahmed Hassan

## Project Manager Transferable iqama

A motivated and detail-oriented Civil Engineer with a strong academic foundation and hands-on technical skills seeking a challenging role in the field of civil engineering. Eager to apply my expertise in project management to contribute to innovative and large-scale infrastructure projects. Committed to delivering high-quality solutions while adhering to safety standards, sustainability principles, and cost efficiency. Passionate about continuous learning and taking on responsibilities that drive professional growth and organizational success.
