Riyadh - Saudi Arabia

### OBJECTIVE

---

**Civil Engineer** with over 6 years of hands-on experience in road construction, site supervision, and infrastructure development. Proven track record of leading large-scale governmental and mega projects with top-tier contractors like Hassan Allam and Fahed for Contracting. Skilled in project planning, execution, quality control, and coordination with consultants and stakeholders. Committed to delivering projects that meet safety standards, timelines, and client expectations. Seeking to contribute my technical expertise and leadership to innovative and impactful infrastructure projects.

### EDUCATION

---

**B.Sc. Degree of Civil Engineering - GPA: 2.2**

**2017**

Delta University – Egypt.

- **Graduation Project:** Material (Post Tension Concrete)
- **Project Grade:** Excellent

### WORK EXPERIENCE

---

**Senior Site Road Engineer - Fahed for Contracting**

**Sep 2023 - Present**

- **Project:** Oxagon Port Development. Zone C Bulk Excavation and Retaining Walls.
- **Owner:** NEOM
- **Consultant:** Parsons, Jacobs
- **Budget:** 1,446,411,540.00 SAR
