

Rayan Qaiqab | Civil Engineer

Location: Riyadh, Saudi Arabia | **Phone:** +966554840577 | **Nationality:** Yemen, valid iqama

Email: Eng.ryan.qaiqab@hotmail.com | [LinkedIn](#)

Career Objective

A Fresh graduate civil Engineer graduate with a solid academic background and a passion for solving real-world engineering challenges. With a strong ability to adapt and work collaboratively in team environments. Eager to apply my knowledge and skills to contribute to innovative projects and gain valuable hands-on experience in the field. Looking for an opportunity to kickstart my career and develop professionally in a dynamic and growth-focused organization.

Education

Bachelor of Science in Civil Engineering

Qassim University, Qassim, Saudi Arabia

Graduated: January 2025 | **GPA:** 4.47/5 (Second-Class Honors)

Skills

Technical: AutoCAD, ETABS, Revit, SAFE, Robot Structural Analysis, Microsoft365.

Soft: Leadership, teamwork, problem-solving, critical thinking, organization, and time management.

Work Experience

Civil Engineering Intern | AL-RAWAF Company for Trading & Contracting | Saudi Arabia

Civil Engineer at the second industrial city in the Qassim region Project | Jul 2023 - Sep 2023.

- Engaged in civil projects, water networks, stormwater drainage networks, sewage networks, manholes and Chambers.
- Asphalt Layering, trench details and Sample Testing ensuring efficiency and safety standards.

Academic Projects

Design and Investigation of Lateral Resisting Systems for a High-Rise Building.

- Designed a 25-story high-rise building with the help of commercial structural analysis tools (ETABS, Robot Structural Analysis) to optimize both gravity and lateral supporting systems with adherence to SBC standards.
- Verifying building elements with Microsoft Excel. Also, created layouts using AutoCAD and Revit.

Languages

Arabic (Native), English (Advance).

Membership

Saudi Council of Engineers (SCE).
