OBJECTIVE

A highly motivated Civil Engineering graduate seeking to leverage my technical skills, problem-solving abilities, and hands-on experience in materials testing to contribute to a dynamic engineering team. Passionate about structural integrity and quality control, I aim to enhance my expertise while supporting the organization's success.

EDUCATION

Bachelor's in Civil Engineering Technical College

- Graduation: January 2025

EXPERIENCE

Civil Engineering Technician – Applus+Geco Aug 2022 – Aug 2023

- Conducted soil, concrete, and asphalt testing to ensure material quality and compliance with engineering standards.
- Assisted in field inspections and data collection for geotechnical analysis.
- Collaborated with engineers to interpret test results and provide recommendations for construction projects.
