Dear Hiring Manager,

I am a professional with extensive experience as field service engineering with B.S Degree in Electrical Engineering ELV (Instrumentation / low current). When reviewing the job requirement, I was excited to see that my qualifications and personal traits align with your needs.

I strongly believe that I am a good fit for your Company and would love the opportunity to become a member of your Team.

I'm confident that I am the employee you are seeking because I have all of the qualifications outlined in your job posting.

I am a performance-driven, insightful professional with proven managerial acumen and abilities to withstand work pressures

Deliver assignments and business goals without compromising on quality benchmarks.

Please review my resume for a complete collection of my work history and accomplishments.

I am confident that my skills and experience can be of direct benefit to your Company, I look forward to meeting with you.

Thank you for your time and consideration.

I look forward to speaking with you soon.

Best Regards,

**Eng. Mohammed Naif Foudeh**
