Saudi Arabia

## SUMMARY

Experienced professional with a strong background in engineering and business analysis. Skilled in analyzing data, optimizing processes, and driving successful project execution. Proven expertise in event data analysis, business process evaluation, and quality engineering. Extensive experience in designing mechanical systems, conducting quality inspections, and collaborating with cross-functional teams to improve product quality. Holds a Bachelor's degree in Mechanical Engineering and an Associate Degree in Manufacturing Technology, seeking to contribute to a dynamic and challenging work environment.

## EXPERIENCE

### Thalathoun | Saudi Arabia

Business Analysis | July 2023 - February 2024.

- Analyzed event data to identify trends and improve future planning strategies.
- Evaluated business processes to enhance efficiency in event coordination and logistics.
- Conducted market research to support event themes and audience engagement strategies.
- Provided data-driven insights to optimize budgeting and resource allocation for festivals.

### PROTECTIVE MEASURES FOR INDUSTRY | Saudi Arabia

Quality Engineer | March 2023 - September 2023.

- Conducted quality inspections and tests to ensure compliance with industry standards.
- Analyzed production data to identify defects and implemented corrective actions.
- Developed and maintained quality control documentation and procedures.
- Collaborated with cross-functional teams to improve product quality and reduce waste.

### CSI, Commissioning Services International LLC | Saudi Arabia

Mechanical Engineer | February 2022 - September 2022.

- Designed and reviewed mechanical systems for commissioning projects.
- Coordinated with contractors and clients to ensure mechanical installations met specifications.
- Conducted performance tests and inspections to verify system functionality and compliance.
- Provided technical support during system commissioning and troubleshooting processes.

## EDUCATION

### Jeddah College of Technology | Saudi Arabia

Bachelor's degree in Mechanical Engineering | GPA: 4.77/5 | 2018 – 2020.

### Yanbu Industrial College | Saudi Arabia

Associate Degree in Manufacturing Technology | 2014 – 2017.

## COURSES

- Project Management Professional (PMP).

## MEMBERSHIP

- Member of the Saudi Council of Engineers, Membership No. 839488.

## ACHIEVEMENT

- Trophy: 7<sup>th</sup> Place Winner of the Waqf Challenge Hackathon.

## SKILLS

### ● Hard Skills:

- Manufacturing Techniques.
- Quality Control.
- Thermodynamics Analysis.
- Mechanical Drafting.
- Finite Element Analysis.
- Product Lifecycle Management.
- Data Modeling.
- Root Cause Analysis.
- Project Management.
- Statistical Analysis.

### ● Soft Skills:

- Communication skills.
- Time Management.
- Problem-Solving Skills.
- Leadership.
- Decision-making.
- Adaptability.
- Attention to detail.
- Analytical Mindset.
- Decision-making.
