### PROFILE SUMMARY

Over 8 years of experience in traffic and transportation management. I am a highly experienced professional with a strong work ethic. I excel at problem-solving, prioritizing, project management, and working within a team. I am looking for an opportunity to develop my career and perform at my best. I am a highly experienced professional with excellent leadership and team management skills. Throughout my career, I have excelled in identifying business opportunities, improving operations, and maximizing company profits. I am seeking an opportunity that will enable me to advance my career. I am an effective communicator, possess a strong track record of positive referrals, and demonstrate high performance. I would like to join a team that supports professional growth and provides a stable work environment. I am looking for a position where I can demonstrate my commitment and ability to work. In my previous positions, I have excelled in my high productivity and ability to learn quickly.

I also possess the ability to build relationships, adapt, and keep pace with change.
