- Prepare daily progress report of the project.
- Doing layout of all columns retaining wall, slab, ramps, stairs etc.
- Planning and scheduling construction activities
- Establish site methods, identify and arrange on-site resources to be used.
- Using AutoCAD to handle drawings and co-ordination with design consultant.

TRAINING

M/S MAMTAZ & COMPANY

PROJECT – Academic block for faculty of social science at Sindh

University Jamshoro **Trainee Engineer – MAR 2023 to AUG 2023**

6-month training program as Trainee engineer supervise construction & Finishing work, Masonry

work, Plaster, Washroom tiles, Finishing. To ensure quality construction

SKILLS

- Project Management
- Microsoft Office
- Team Coordination
- Feasibility Analysis
- Risk Assessment
- Processes
- Procurement
- Reports preparation
- Knowledge of Legal
- Safety Regulations
- Cost Estimation
- AutoCAD

EDUCATION

Bachelor of Civil Engineer | Mehran University of Science and Technology |Jamshoro |
Nov 2023

- Relevant Courses: Civil Engineering Materials, Structure Engineering, Surveying

CERTIFICATIONS

- Survey camp Certificate | Mehran University of Science and Technology | Jan-2023|1 week
- International Conference on Sustainable Development in Civil Engineering (ICSDC-2023) |3 Days
- Computer Science Introduction of Computer Hardware & Software MS word, MS Excel, MS Power Point, Photoshop, HTML, Introduction of Networking and Internet
- Certificate in 6-days Workshop in BIM

LANGUAGES

- English
