Brief Summary

Highly accomplished and results-driven Senior Civil Engineer with over 11 years of extensive experience in large-scale infrastructure and road construction projects, specializing in earthworks, site grading, and project supervision. Proven ability to lead diverse teams, manage complex project phases, and ensure adherence to strict quality and safety standards, including NEOM standards. Eager to leverage strong leadership, planning, and problem-solving skills to contribute to challenging projects in Saudi Arabia, with a focus on achieving project milestones and budget objectives consistently.

PROFESSIONAL EXPERIENCE

Mofarreh Al-Harbi & Partners Co.– Tabuk, KSA

Oct 2023 Till Now

Civil Superintendent

Currently working on:

Gulf of Aqaba Early Works Earthworks and Site Grading for District 6

Completed project:

Spine Earthworks LOT- 10.3

Project value: 1,185,977.606 SR

Achievement: *The Spine project was awarded the 2024 Falcon Award for Project of the Year in NEOM, recognizing its excellence in execution and innovation.*

Key Responsibilities and Achievements

- Coordinate with Construction Manager to prepare the site management Plan.
- Led site supervision activities that resulted in the completion of contractual milestones ahead of schedule, enhancing client satisfaction.
- Managed and coordinated multidisciplinary teams (HSE, blasting, construction, environmental, maintenance) to ensure compliance with NEOM standards.
- Directed equipment and crew movements across multiple sites to optimize workflow and efficiency.
- Proactively identified and resolved unexpected site challenges to maintain project continuity.
- Managed resources efficiently to ensure cost-effectiveness and adherence to internal project budgets.
