Profile

To grow and develop as a Civil QC Inspector/Engineer within a reputable company that values quality control, safety, and compliance. By leveraging my expertise and actively seeking out opportunities for improvement, I aim to make a significant contribution to the success of the company by ensuring that all construction projects meet or exceed regulatory standards and client expectations. Ultimately, I strive to advance into a leadership position within the company and play a key role in driving the growth and success of the organization.

Utilizing my expertise in quality control and construction inspection to ensure compliance with regulatory standards and project specifications. I aim to contribute to the success of construction projects by maintaining high-quality standards and delivering exceptional results within budget and schedule constraints.

Professional Experience

2024/03 – present
NEOM, Saudi Arabia
