## CURRENT ADDRESS:

Saudi Arabia – Riyadh

Tel. 0549490012

## AHMED KAMAL OSMAN

### Career Objective:

A results-driven civil engineer with expertise in managing construction projects, I aim to leverage my skills in planning, coordination, and execution to deliver high-quality projects. Seeking a challenging role where I can contribute to successful project outcomes and further enhance my leadership abilities.

## PERSONAL INFORMATION:

### Date of Birth:

January 1995

Gender: Male

Marital Status: Single

Religion: Muslim

Nationality: Sudanese

## QUALIFICATIONS:

2024

**Master of Business Administration**

University of CYBERJAYA - Malaysia

2021

**Bachelor of Civil Engineering**

LIMKOKWING University – Malaysia

## PROFESSIONAL EXPERIENCE:

**Feb 2022– Nov 2024: WCT Holdings | Damansara, Malaysia**

**Designation: Civil Site Engineer**

### Duties:

- Conducted site visits to monitor construction progress.
- Ensuring adherence to safety protocols and quality standards. Collaborated with architects, and contractors to ensure seamless project execution.
- Reviewed and interpreted engineering drawings and specifications, providing input for design improvements.
- Gained experience in soil analysis, foundation design, and structural assessments during project implementation.
- Supported project reporting by compiling progress updates, cost analyses, and documentation for client presentations.
- Oversee daily construction activities and ensure work is carried out as per approved plans and specifications.
- Coordinate with contractors, subcontractors, and laborers to ensure smooth workflow.
- Monitor progress and address any site challenges promptly.
- Ensure construction materials and workmanship meet quality standards.
- Conduct site inspections and resolve any technical issues.
- Ensure compliance with safety regulations and environmental standards.
- Monitor material usage and minimize wastage.
- Ensure cost-effective solutions without compromising quality.
- Support budgeting and procurement activities.

## LANGUAGES:

**Arabic:**

(Mother tongue).

**English:** (Good).

## PERSONAL SKILLS:

- Attention to detail.
- Time management.
- Good team player.
- Problem solving.
- Effective interpersonal skills.

## COMPUTER SKILLS:

- Windows & Microsoft office.

## AREAS OF EXPERTISE

- Construction & Site Management
- Structural Engineering
- Quality Control & Assurance
- Geotechnical & Surveying Knowledge
- Health, Safety, and Environment (HSE) Compliance
- Material & Cost Management
- Foundation & Infrastructure Development
- Problem-Solving & Decision-Making

**Mar2021– Dec2021 Synergy Building Solutions | Kuala Lumpur, Malaysia**

**Designation: Site Engineer**

### **Duties:**

- Assisted in planning, and designing construction projects under the supervision of senior engineers.
- Conducted site inspections to ensure adherence to safety standards and project specifications. Analyzed and interpreted blueprints, construction drawings, and project plans.
- Gained hands-on experience in materials testing, quality control, and cost estimation. Utilized problem-solving skills to contribute to efficient project workflows and on-time delivery.
- Developed a practical understanding of construction methods, sustainability practices, and industry regulations.
- Conduct site surveys and measurements.
- Interpret technical drawings, blueprints, and structural designs.
- Provide engineering solutions to unforeseen challenges.
- Monitor material usage and minimize wastage.
- Ensure cost-effective solutions without compromising quality.
- Support budgeting and procurement activities.
