About me

I am a qualified and dedicated Health and Safety professional with over 6 years of experience in implementing safety systems, conducting risk assessments, and promoting safe working practices across various industries in Saudi Arabia. I hold NEBOSH IGC, IOSH Managing Safely, OSHA, First Aid & BLS, and a Diploma in Construction Safety, along with a Level 6 OTHM qualification in Occupational Health and Safety.

I focus on building a strong safety culture, ensuring compliance with legal requirements, and continuously improving health and safety standards through training, inspections, and proactive engagement.

Now as a proud CertIOSH member, I remain committed to professional growth and making workplaces safer for everyone.

IOSH makes no warranties about the accuracy, reliability, completeness or timeliness of this information and will not be liable for any loss or damage suffered as a result of any error or omission which may occur.
