

Mahmoud AL-Dhmour – BSc Civil Engineer

Email: Mahmoud.Aldhmour@hotmail.com | **Mobile:** +966 58 236 6598

Nationality: Jordanian | **Location:** Turiaf, KSA | **Visa Status:** Residency (IQAMA) – Transferable

Professional Summary

Dynamic and results-oriented **Civil Engineer** with over 7 years of experience in **construction management, infrastructure development, and oil & gas projects**. Proven expertise in delivering high-value projects (up to \$10M+) on time and within budget, while ensuring compliance with **international standards** (Aramco SAES, GIs, ASTM) and **HSE protocols**. Skilled in **project planning, site management, quality control, and multi-disciplinary coordination**. Adept at leading teams, managing contractors, and driving project success in complex, high-stakes environments.

Core Competencies

- **Project Management:** Primavera P6, MS Project, and advanced scheduling techniques.
 - **Design & Execution:** Civil engineering design, earthworks, foundations, structural works, and finishing.
 - **Quality & Safety:** QA/QC, HSE/SMS compliance, risk mitigation, and incident-free project delivery.
 - **Technical Software:** AutoCAD, ETABS, SAP2000, Revit Structure, GEO5, Advanced Excel.
 - **Standards & Codes:** Aramco SAES, GIs, ASTM, and international construction codes.
 - **Languages:** Arabic (Native), English (IELTS Certified).
-

Professional Experience

Sisco – Turiaf, KSA

Lead Civil Engineer | 2024 – Present

- **Project:** Industrial Support Facility (Fire Station Building) – **Client:** Aramco

- Led civil engineering design and execution, ensuring compliance with **Aramco standards (SAES, GIs)**.
- Managed site construction, including earthworks, foundations, structural works, and finishing.
- Ensured **HSE/SMS compliance**, quality control, and risk mitigation.
- Coordinated with **Aramco PMT**, contractors, and multi-disciplinary teams.
- Oversaw project documentation, including RFIs, method statements, and inspection approvals.

Jordan Bromine Company – Al Karak, Jordan

Civil Project Engineer I | Aug 2022 – Jan 2024

- **Projects:** 33KV transformers facilities, TTBP plant improvements, logistics yard upgrade, building expansions.
 - Developed project designs, cost estimations, and method statements.
 - Managed contractors, reviewed IFC blueprints, and ensured **HSE compliance**.
 - Conducted site inspections, prepared punch lists, and analyzed underground utilities.
 - Reviewed geotechnical reports for deep pile foundations and water content using piezometers.

Mass Architecture Office – Amman, Jordan

Civil Engineer (Residential Structures) | Mar 2020 – Jul 2022

- **Projects:** Private villas, medium-scale compound expansions.
 - Reviewed architectural and structural designs, supervised site inspections, and managed contractors.
 - Conducted quantity surveying and prepared project invoices.

GECAT LTD CO. – Eastern Province, KSA

Project Engineer | Oct 2017 – Feb 2020

- **Projects:** Free Flow Pipelines, Cathodic Protection System, Civil & Building Earthworks.
 - Planned project tasks using **Primavera P6** and MS Project.

- Prepared BOQs, Bar Bending Schedules (BBS), and progress reports.
- Led a team of 100+ laborers and engineers, ensuring quality and cost efficiency.

Basics Visualizing Concepts – Amman, Jordan

Resident Engineer | Dec 2016 – Sep 2017

- **Projects:** Residential housing (10 apartments), private villa.
 - Supervised structural inspections, material deliveries, and contractor progress.
 - Prepared daily technical reports and acted as a focal point between clients and consultants.
-

Education & Certifications

- **B.Sc. in Civil Engineering** – Eastern Mediterranean University, Northern Cyprus | 2011–2016
 - **Certifications:**
 - ABET Accreditation in Civil Engineering.
 - Quantity Surveying – Jordanian Engineers Association.
 - Primavera P6 – Jordanian Engineers Association.
 - Highways Specifications and Tests (ASTM Standards).
 - Advanced Excel – Microsoft Certified.
-

Technical Expertise

- **Project Management Tools:** Primavera P6, MS Project.
- **Design & Analysis Software:** AutoCAD, ETABS, SAP2000, Revit Structure, GEO5.
- **HSE & QA/QC:** Aramco HSE/SMS standards, risk assessment, and mitigation.
- **Cost Control:** BOQ preparation, cost estimation, and project invoicing.
