 - Reinforced Concrete Design
 - Shop Drawings & Detailing
 - Project Coordination
 - Building Codes & Standards
 - PLAXIS 2D & Geotechnical Design
 - AutoCAD, Robot, ETABS, SAFE, Armacad
 - Microsoft Office Suite
 - Graitec OMD
 - FIDIC Contract Management
-

Professional Experience

➤ Structural Coordinator

AES BET (Bureau d'étude technique), Beirut, Lebanon

2019 – Present

- Prepared structural design and shop drawings for residential buildings in France.
- Coordinated between architecture and structural teams for drawing integrity.

➤ Structural Coordinator / Project Engineer

ABNIAH s.a.r.l, Beirut, Lebanon

2014 – 2019

- Managed project workloads and scheduling; reported progress to clients and senior managers.
- Delivered urgent structural shop drawings on-site.
- Reviewed drawings and bar bending schedules before execution.
- Communicated with owners, architects, engineers, subcontractors, and suppliers.

Key Projects:

- **Edelweiss Project Faqra** – 32,000 m² compound, 17 blocks, 127 chalets.
- **Gemmayze Village** – 93,000 m², 37-level tower, 10 residential blocks, \$102.5M.

➤ **Site Engineer**

SCC LIBAN, Beirut, Lebanon

2012 – 2013

- Designed shoring systems using PLAXIS software.
- Created rehabilitation and as-built drawings.

Key Projects:

- Piling and shoring systems in Beirut.
- Structural rehabilitation of residential buildings.

➤ **Structural Engineer**

CCEG (Civil Consulting Engineering Group), Beirut, Lebanon

2009 – 2012

- Designed and detailed structural elements.
- Coordinated MEP and architectural drawings.

Key Projects:

- Summerland Hotel Resort – 75,000 m²
- Private Villa, KSA – 5,000 m²
- Demian Villa, Broumana – 5,000 m²
- Jabal Omar Project (KSA)
- Princess Nora Bint Abdul Rahman University (KSA)

➤ **Structural Engineer**

AES Liban, Beirut, Lebanon

2007 – 2009

- Developed design and structural drawings.
- Coordinated across disciplines to resolve conflicts.

Key Project:

- Technical College at Mahayl – Assir (KSA)

Education

Master 1 – Charge d'étude en calcul de structures bâtiment et travaux publique

CNAM University, France – 2013

Diploma in Civil Engineering – Buildings and Public Works

Lebanese University, Faculty of Technology – 2007

Certifications & Courses

- Business Communication Skills – Order of Engineers and Architects, Beirut
- Contract Management (FIDIC) – Order of Engineers and Architects, Beirut

Languages

- Arabic (Native)
- French (Fluent)
- English (Fluent)

Additional Projects

- Prolongement de la ligne 2 du tramway – Colombes, France
