### ABOUT ME

As a seasoned Civil Engineer boasting over six years of hands-on experience in both building and road projects, I bring a wealth of expertise in project management and proficiency in Primavera to the table. My commitment to delivering projects on time, within budget, and to the highest quality standards aligns with the core values of your team. I am eager to contribute my skills and join your esteemed group of professionals.

### WORK EXPERIENCE

#### Planning Engineer | BUNA AL JAZEERA CONTRACTING COMPANY | Riyadh | Jan 2023 - Feb 2025

- Develop and maintain detailed project schedules, including identifying project milestones, critical paths, and key deliverables.
- Use scheduling software (e.g., Primavera P6) to create, update, and monitor project schedules.
- Determine resource requirements (labor, materials, equipment) for the project and ensure their efficient allocation.
- Coordinate with procurement and logistics teams to ensure timely availability of resources.
- Prepare and manage project budgets, ensuring costs are kept within agreed limits.
- Identify potential project risks and develop mitigation strategies.
- Track project progress against the schedule and budget, using performance indicators to measure project success.
- Ensure that project objectives, plans, and timelines are clearly communicated and understood.
- Ensure that all project activities comply with HSE regulations and standards.
- Manage project changes, including scope, schedule, and cost variations, ensuring proper documentation and approval processes are followed.
- Ensure that all project records are accurate, up-to-date, and accessible.
- Build and maintain positive relationships with clients and stakeholders.

#### Civil Draftsman | HEROES ARCHITECTS & ENGINEERS | Dec 2021 - Oct 2022

- Used computer-aided drafting (CAD) to create construction drawings.
- Supported design team in managing workload and deadlines to ensure project completion within schedule and budget.
- Foster and maintain strong relationships with clients while providing innovative ideas regarding space planning, layout, use of furnishings, and colour coordination in accordance with their visions.
- Created drawings for construction projects.
- Draw topographical and relief maps to aid construction workers and architects.
- Create visual guidelines for construction purposes.
- Draft technical details.
- Specify dimensions, materials, and procedures.
- Draw in minute details of structures.

#### Civil Engineer | LARSEN & TOUBRO | Jan 2019 - Oct 2021

- Coordinate and direct the activities of workers, subcontractors, and suppliers, and are responsible for ensuring compliance with safety regulations, building codes, and project specifications.
- Assist in overseeing day-to-day construction activities on-site.
- Monitor and inspect the quality of materials and workmanship to ensure compliance with standards and specifications.
- Interpret technical drawings and specifications.
- Assist in conducting site surveys and measurements.
- Help in managing the delivery and storage of materials on-site.
- Ensure that materials are used efficiently and wastage is minimized.
- Help in preparing cost reports and forecasts.
- Participate in training sessions and workshops to improve skills and knowledge.
- Check technical designs and drawings for accuracy and to ensure that they are followed correctly.
- Used AutoCAD to create and evaluate design plans and blueprints to ensure conformance to construction requirements.
- Manage parts of construction projects.
- Oversee construction work.
- Undertake surveys.
- Set out sites.

- Supervise contracted staff.

## EDUCATION

Bachelor of Engineering (Civil Engineering), Technocrats Institute of Technology & Science, Bhopal, Bhopal | 2019

- Rajiv Gandhi Proudyogiki Vishwavidyalaya (R.G.P.V) University, M-P India

## SKILLS

- Primavera P6
- Planning&Scheduling
- Time management
- Documentation and Record Keeping
- Construction Activities Supervision
- Site inspections
- Team Coordination and Support
- MS Office (Word, Excel, PowerPoint)
- CAD Software (AutoCAD, Civil 3D)
- Excellent communication, organizational, and problem-solving skills

## LANGUAGES

- English (Advanced High)
- Arabic (Advanced Mid)
- Urdu (Superior/Native)
- Hindi (Superior/Native)

## COURSES

Project management | Learn Tube

Primavera P6 | Civil Guruji

Microsoft Project (MSP) | Civil Guruji |

AutoCAD | Design Centre Bhopal

Civil3D | Design Centre Bhopal

DCA | NIELIT

## HOBBIES

- Spending time in nature
- Cooking
