

Muhammad Awais

Civil QA/QC Engineer

KAEC, Makkah, KSA | Phone # 0531252814 | mohammadawais141@gmail.com

PROFILE:

- I have over 5 years of experience in various construction projects as a **QC Engineer & approved by RCU Al-Ula as a QC**. My experience includes infrastructure, heritage buildings, steelstructures, soft landscaping & Hardscape, architectural works, mega **Dam hydropower project** (800MW) and roads. I am currently seeking an opportunity to join a dynamic, ambitious, and growing company. My goal is to provide support and assistance to senior management and project personnel to ensure that project quality objectives are achieved in a timely manner.

EDUCATION

City University of science and technology

Peshawar Pakistan.

BSc. Civil Engineering

WORK EXPERIENCE

Mohammad A.Farhat Co. For Constructing (FMC)

KAEC JEDDAH, KSA

QC Engineer Construction of ONYX Container Yard

Apr 2025 - Present

- Managed over 150 material deliveries and site inspections, ensuring 100% compliance with Saudi Building Code standards, which reduced rework costs by 15% and accelerated project timelines by 20%.
- Developed and implemented comprehensive Inspection and Test Plans (ITPs) alongside stakeholders, resulting in a 30% decrease in Non-Conformance Reports (NCRs) through proactive quality control measures.
- Led internal audits and quality briefings that improved QA/QC documentation accuracy by 25%, streamlined corrective action processes, and enhanced overall project adherence to ISO 9001 standards.

QC Engineer AL-Kabeer Variety Food LLC Extention

Oct 2024 - Apr 2025

- Managed daily quality assurance operations by overseeing material standards, conducting tests in accordance with Saudi codes, and ensuring compliance with specifications, resulting in a 15% reduction in non-conformance reports.
- Led coordination meetings and third-party inspectors and internal teams to review progress, align on specifications, and address issues promptly, enhancing project inspection efficiency by 20%.
- Supervised testing procedures and monitored team performance during daily reports to ensure adherence to quality standards; facilitated continuous improvements that increased testing accuracy by 12%.

QC Engineer Hegra Heritage Boutique Hotel, Alula

Nov 2022 - Oct 2024

- Conducted over 150 material and construction process inspections annually, identifying non-conformities in 12% of cases and executing corrective actions that reduced rework costs by 20%.
- Managed documentation for more than 500 tests, certifications, and NCRs, ensuring all records met RCU stringent quality standards; facilitated timely submission resulting in a 100% approval rate from project stakeholders.
- Led daily on-site QA/QC activities across multiple Activities, achieving a 98% compliance rate with standards and contractual requirements by implementing rigorous inspection schedules and audit procedures.

Zain International Construction Company

Mohmand, Pakistan

Site Engineer Mohmand Dam Hydro Power Project

Apr 2020 - Sep 2022

- **Supervised civil and structural works** including dam foundation, spillway, penstock installation, and powerhouse construction, ensuring adherence to project specifications and safety protocols across all phases.
- **Interpreted over 120 technical drawings and blueprints**, guiding field teams and subcontractors with accurate construction details, minimizing execution errors by 15%.
- **Coordinated with geotechnical teams** for site investigations and managed complex excavation and foundation stabilization activities, contributing to a 25% reduction in geological risk-related delays.

SKILLS & INTERESTS

- Skills:**
- Skilled in QC methodologies, test planning, risk mitigation, and using testing tools to ensure high-quality standards.
 - Experienced in supervising site works, interpreting civil drawings, and executing projects per SEC and ISO 9001 standards.
 - Strong in reporting, documentation, and leading teams to improve quality systems and ensure smooth project delivery.

- MS Office (MS Word, MS Excel, MS Power Point, MS Project)
- MATLAB
- AutoCAD
