## Objectives

Dedicated Civil Engineer familiar with all aspects of Engineering Operations. Consistently Finishes projects ahead of Schedule. Ready to associate with an organization where there is an opportunity to contribute and utilize my knowledge in the field of Civil and Architecture.

## Experience

### QC Inspector – Civil/Arch

Ihome Trading and Contracting Co. | Doha, Qatar

*January 2022 – April 2025*

- Lead quality inspections for products and processes on high-rise building projects, ensuring compliance with client specifications and international standards.
- Manage documentation and reporting for Gewan Island Projects, including the preparation of NCRs, MRIRs, ITPs, WMS, ITRs, SORs, and QPRs.
- Collaborate with the project team to identify and resolve technical deficiencies, ensuring smooth project execution.
- Assist in quality audits and contribute to the development of a Three-Week Look-Ahead program using Primavera P6 to ensure effective project planning and resource management.
- Ensure continuous improvement in quality management processes through proactive identification of potential issues and the implementation of corrective actions.

### QC Inspector – Civil/Arch

New Horizon Contracting & Maintenance Co. | Doha, Qatar

*February 2021 – January 2022*

- Conducted comprehensive quality inspections for civil works, including stormwater drainage systems, microtunneling, pavements, and precast components in the Barwa Villa project near Ras Abu Fantos.
- Compiled and reviewed inspection documentation for the project's handover, ensuring all requirements were met before submission to Dorsh Qatar.
- Assisted in the creation and implementation of efficient inspection and testing strategies, improving the overall quality control process.
- Supported the team during quality audits, identifying and addressing potential issues to maintain project standards and timelines.
- Played a key role in snagging and preparing project documentation, ensuring a smooth transition to the client.

### Civil Site Engineer

Group Technical Constructions | Hyderabad, India

*February 2019 – October 2020*

- Supervised the construction of a private villa project (G+2+P) in Miyapur, Hyderabad, ensuring the project was completed on time and within budget.
- Managed maintenance tasks such as structural jacketing, steel coating protection, and advanced concrete repairs to improve the long-term durability of the building.
- Led the underground soil compaction process using cementous pressure grouting techniques and shortcreting, enhancing the structural integrity of the project.
- Coordinated waterproofing efforts using PU compounds and managed landscaping work to ensure the project's aesthetic appeal and functional performance.

## Education history

---

**Jyothishmathi Institute of Technology and Science (NAAC -A GRADE) - Telangana, India.**

Bachelor of Science in Civil Engineering (Full time – 4 years) – May 2016-20 with CGPA **7.87/10**

**Trinity Junior college, Karimnagar, Telangana.**

Higher secondary education (Maths, Physics, Chemistry) with CGPA **9.1/10**

**Schooling from Green land high school with CGPA of 8.5/10**

## Technical Skills and Certifications

---

- Quality Management System (QMS) **Lead Auditor ISO 9001:2015** CQI/ IRCA Certified.
- Certification in **Project Management and Planning in Oracle Primavera p6 and Excel**
- Certified **MMUP/UPDA** from the ministry of municipality **Doha, Qatar.**
- Diploma certification in Autodesk **AutoCAD in Structural Detailing, 2D/3D modelling.**
- Certification in **Autodesk Revit Architectural designing**
- Certification in **STAADpro structural designing**
- Certification in **Quantity surveying and Estimator**
- Proficient in **Microsoft Office** and typing speed of 40wpm
- Certified **COSSH RISK ASSESSOR** from the knight and safety academy

## Achievements

---

- Identified construction quality risk and performed inspections of over 30+ in a period of one month soon after joining
- Overseas all construction operation process on site and maintaining 85% of the project completion on time or ahead of schedule
- Awarded for the best quality coordinate at Ihome trading and contracting at 9<sup>th</sup> annual celebrations
- Established a robust quality control system on-site that reduced defects by 25%, increasing client satisfaction and ensuring faster approval processes
- Successfully Increased the daily coverage length of microtunneling by **40%**, directly improving project delivery timelines.

### PERSONAL DETAILS

|                 |   |                     |
|-----------------|---|---------------------|
| Father name     | : | Touqeer Ahmed       |
| Date of birth   | : | 07th January 1998   |
| Driving license | : | Pursuing Training.  |
| Marital status  | : | Un-married          |
| Height          | : | 6'0"                |
| Nationality     | : | Indian              |
| Passport number | : | #R2084967           |
| Visa type       | : | Transferable Iqama. |
| Current address | : | Riyadh, KSA.        |
