Zarqa, Jordan

## Summary

Mechatronics Engineering graduate with a Bachelor's degree from Al-Balqa Applied University (2019) and over four years of professional experience. Currently serving as Personnel Manager at Alam Aljumlah, with prior roles in sales and cashier operations. Completed a one-year Technical Engineer traineeship at Al-Wefaq for Control Systems. Seeking to leverage technical expertise and leadership skills to drive success in engineering and management roles.

## Work Experience

### Alam Aljumlah

2023 - Present

#### Personnel Manager

- Oversaw recruitment, training, and scheduling, managed employee records, resolved workplace issues, and ensured compliance with company policies to maintain a productive and motivated team in the gift and toy shop.

2021 - 2022

#### Sales

- Provided excellent customer service, assisted with product selection, managed inventory displays, promoted sales, and maintained product knowledge to enhance customer satisfaction and drive revenue growth for the gift and toy shop.

03/2020 - 2021

#### Cashier

- Processed transactions efficiently, handled cash and credit payments, ensured accurate pricing, maintained a clean checkout area, and provided friendly customer interactions to support seamless shopping experiences in the gift and toy shop.

### Al-Wefaq for Control Systems

Sept 2018 - Jan 2019

#### Technical Engineer Trainee

- Assisted in designing, testing, and troubleshooting systems, supported documentation, collaborated with senior engineers to enhance performance, and gained experience in implementing engineering solutions under supervision.
