## Objective

Civil Engineer with 6 years of experience in managing large-scale residential, commercial and healthcare projects. Seeking to join a dynamic construction firm where I can apply my expertise and grow within large-scale projects.

## Professional Experience

**Senior Site Engineer at Alshams for Contracting. | 03/2024 – 07/2025**

**Kafr El-Sheikh University Medical Complex (Emergency Hospital).**

**Consultant: Faculty of Engineering, Kafr El-Sheikh University.**

- Executed finishing works for 5000m<sup>2</sup> healthcare facility( ICU, operation rooms) using corian and PVC Altro sheets, reducing material waste.
- Supervised 20+ subcontractors, ensuring 100% compliance with Kafr El-Sheikh university standards.
- Coordinated civil works with mechanical and electrical teams to ensure conflict free execution.
- Accelerated project handover through efficient daily progress reports.

**Site Engineer at Alshams for Contracting. | 01/2023 – 03/2024**

**Hyde Park North Coast.**

**Consultant: Mimar Egypt.**

- Executed the full scope of a 5000 m<sup>2</sup> area including luxury clubhouse, pool, 12 cabanas, and landscape.
- Installed dewatering system using deep wells.
- Completed 90% of works ahead of schedule from initial excavation to final handover.
- Handed over the entire scope to the client aligned with consultant's specifications, achieving zero rework.

## **Site Engineer at Alshams for Contracting. | 01/2022 – 12/2022**

### **GAIA North Coast (Ras El Hekma).**

#### **Consultant: Sabbour Consulting.**

- Led construction and finishing of more than 20 villas, from structural works to final client handover.
- Executed various types of swimming pools including traditional skimmer, overflow systems and PVC liner systems ensuring proper waterproofing and finish quality.
- Solved on-site technical issues and coordinated across disciplines.

## **Site Engineer at Staron Egypt by SAMSUNG. | 01/2021 – 12/2021**

### **National Bank of Egypt Branches.**

#### **Suez Medical Complex with ALMARASEM and ECG.**

- Executed over 8000 m<sup>2</sup> of Corian wall cladding.
- Supervised installation and resolved technical challenges.
- Ensured final quality and documented daily progress.

## **Subcontractor Site Engineer with Redcon. | 07/2019 – 01/2021**

### **Latin District, New Alamein.**

#### **Consultant: ECG.**

- Supervised construction for two residential clusters (11,000 m<sup>2</sup> each) consisting of 11 floors with **post-tension slabs**.
- Executed large-volume concrete casting for foundations work, columns, shear walls, cores, retaining walls, ramps, and slabs.
- Ensured structural quality and project requirements to meet deadlines.

## **Skills**

- Primavera P6.
- AutoCAD.
- Microsoft Office.
- Technical Office Work.

## **Education**

### **B.Sc. in Civil Engineering — Kafr El-Sheikh University (June 2019).**

Graduation Project: Project Management.

## Languages

- English: Upper Intermediate. (Working Proficiency)
