

MOHAMMED NADY (GENERAL SURVEYOR)

PROFESSIONAL SUMMARY

A proficient and detail-driven General Surveyor with more than 8+ years of experience in land surveying, construction staking, and project management. Demonstrates exceptional skill in conducting precise measurements, producing detailed maps, and delivering accurate data analysis for large-scale infrastructure projects. Expert in utilizing advanced surveying instruments and CAD software to create comprehensive plans and designs. Capable of leading field teams, managing project schedules, and working seamlessly with engineers, architects, and clients. Dedicated to maintaining the accuracy and reliability of survey data, consistently delivering high-quality outcomes on time and within budget.

WORK HISTORY
